WORKING PAPER

#91-1

1430-1530

The target personality is a young man who has rather long brown hair. He wears simple clothes. He has soft features and he could be a quiet young man. He seemed to be kind and gentle.

The target personality seemed to have lived in a time different than our own or in a place that is quite different than what we live in.

The target personality seemed to possess quite a bit of wisdom for as young as he was.

Although simplicity could be used to describe this man, I also felt there was royalty around him.

At times it looked as though the personality was carrying something at his side or at times over his head.
